Friday 5th September 2025

Dear Parents/ Carers

As you will have seen at the end of last term, for European Day of Languages this year (which is Friday 26th September), we would like to spend some time celebrating our heritage and community languages, of which we have 40+ in our school!

Our pupils listen to and read stories in English daily, so we would like them all to hear stories in different languages and our best resource for that is YOU!

Can you speak/ read a language other than English?
Do you have children's picture books in that language at home?
Can you re-tell a story in that language with actions or pictures?
Would you like to come into your child's class to tell them a story?

We are looking for members of our community to support us with this, at any point during the week beginning Monday 22nd September or the week beginning Monday 29th September. We would liaise with you over timings to suit both the class teacher and you.

You would be in class, supported by the class teacher, probably for no more than about 20 minutes. Obviously the story should be age appropriate. We can discuss which class you would be in.

If you are interested in helping us with this, please fill in the attached [form](#) ASAP. I am only in school Tuesday, Wednesday and Thursday but will be happy to answer any questions, when I am in the playground after school on those days.

Thank you in advance.

Yours

Ms M Devons (German teacher)
