Friday 27th March 2026

Dear Parents and Carers,

**A successful Spring term**

The Spring term has been another successful one and Hillingdon Primary has enjoyed lots of sporting success; particularly in netball! Our teams have had an extremely successful netball season, where our children have earned medals at every event they have entered; the highlight of which is winning back the league trophy after many years. Huge congratulations to the children!

There have been many other highlights this term:

- A wonderful World Book Day we all enjoyed celebrating - KS2 enjoyed meeting the author AF Harrold and KS1 met author Alice Hemming. Nursery and Reception enjoyed shared learning sessions with their parents too.
- Reception children enjoyed a Mother's Day afternoon tea.
- Year 5 pupils enjoyed success at their swimming lessons this term.
- Children who attended 'Young Voices' at Wembley Arena loved singing in unison with thousands of others.
- Year 6 pupils enjoyed showcasing their art work in the recent 'Springing into Art' exhibition and, in return, some of our artists from across the school enjoyed visiting Pinkwell school's exhibition.
- Year 2 had a wonderful time learning about plants at Kew Gardens this week and Year 6 learnt the fascinating history of the RAF Bunker in Uxbridge during their visit there earlier this term.
- Year 5 got into character when they enjoyed recreating the past during their Victorian day - some wonderful costumes were worn!

**Thank you!**

Red Nose Day - thank you for money raised online and in person; all donations were much appreciated. We raised a grand total of £271.49 - a fantastic amount for a wonderful cause.

A Member of the Elliot Foundation Academy Trust

### Celebrations and religious observances

We know that many of our families will have enjoyed celebrating Holi and Eid recently, and during the holidays, many of our families will soon be celebrating Easter and many of our families will be celebrating Vaisakhi soon after the holidays.

As part of their Religious Education curriculum, our pupils have an opportunity to share their beliefs and values. It is very important to us that our children are able to share their own personal life experiences as it is an important part of their identity. The more we understand about each other, the more we build understanding among a community and the more our children feel they belong at school. It is important to us that each child feels special for who they are, and that includes their chosen faith or their choice not to follow a faith.

If any pupil would like to talk about their Easter, Eid, Holi or Vaisakhi celebration then we would enjoy hearing them talk about their experiences and it would help us to learn about different faiths. After the holidays, class teachers will devote time in class for the children to share their news. All our pupils are important to us and we would encourage pupils to speak to their teachers about sharing their beliefs and values about a day important to them.

### Congratulations to Ms Ashford.

Huge congratulations to Ms Ashford, who is getting married in the Easter holidays! We wish her and her fiance all the best for a lovely day and for the future.

### Reminder - The importance of punctuality

There has been a recent increase in the number of pupils who are regularly arriving late to school. Please ensure your child arrives at school and is ready in their classroom by **8.45am**, as their lessons start at this time. Children who regularly arrive late to school are missing out on the start of lessons, assemblies and other interventions, which means they are at a disadvantage in their learning compared to their peers. It is also important that the children develop a routine of maintaining good punctuality, to prepare them for secondary school and life beyond. We thank you for supporting us achieving this goal for all our children.

We wish all our families a peaceful break during the holidays and, to those observing a religious event, we wish you a happy celebration. We look forward to welcoming the children back to school on Monday 13th April.

Best wishes,

Ms Sabrina Kelly  
Co-Principal

Ms Samina Saidiya
