Friday 13th November 2020

Dear Parents and Carers,

Thank you for all your support this term so far; it is much appreciated during these extraordinary times. This week at Hillingdon Primary School, children and staff observed a respectful two minute silence at 11am on 11th November to mark Remembrance Day. The children in class have worked with their teachers on understanding what Remembrance Day stands for.

Below is a reminder and further information regarding other key dates in our calendar for the month of November.

Children in Need: Friday 13th November

Classes will spend some time learning about the Children in Need charity, who it helps and why. There will be an opportunity for parents to make a donation on Monday 16th November (see below).

Week beginning Monday 16th November

National Anti-bullying Week and Odd Socks Day

Next week is **Anti-Bullying Week**, and the theme this year is, '**United Against Bullying.**' We will mark the start of the week by participating in '**Odd Socks Day**' on **Monday 16th November**. All children are encouraged to come to school wearing odd socks. We will be accepting voluntary donations of £1 or more, to be shared between the Anti-bullying Alliance and Children in Need. All donations must be made via ParentPay.

Throughout the week there are many activities planned for the children. Our aim is to help children to understand how important it is that every child feels valued and included in our school community. The key message and theme discussed will be that together, we're united against bullying.

Road Safety Week

Road Safety Week is the UK's biggest road safety event, coordinated annually by Brake, the road safety charity. Pupils will be discussing road safety in their classes to promote life-saving messages during the week and beyond. More information can be found at: <http://roadsafetyweek.org.uk/>

Thank you for your continued support.
