### **Remote Learning Provision for children in Class 1A**

Dear Parents and Carers,

While your child is isolating at home, they will be able to access remote learning provision online. Your child's class teacher is now preparing high quality online learning which will be ready to begin on Thursday 17th December and will run through to Friday 18th December.

In the meantime, your child will be expected to access our remote learning website. The website can be accessed by typing: **myhps.uk** into any web browser.

Alternatively, you can click on [this link](#).

On the site, you will find a welcome video which explains how the site works. Please make sure to watch this with your child before beginning the learning. At the top of each day of learning is a '**check in**' button. It is important that your child checks-in so we can track attendance.

They should also continue to make use of [Bug Club](#) for reading.

The learning from Thursday will take place through our Remote Learning Provision on Google Classroom. Your child will be familiar with Google Classroom as they sign into it weekly with their teachers using the school's Chromebooks, but may need support when signing it at home with a different device. If using a mobile or tablet device, please ensure you first download both the Google Classroom App, and the Google Slides app. For more support on this, please visit [this site](#).

Please [click here](#) to see your child's recommended timetable for remote learning. Please aim to follow this where possible, but we appreciate you may need to adjust this to suit your needs.

Each day, your child is expected to 'Check-in' to the online learning using the Google Form that the teacher will post before 9:00am. They must also click the '**Hand In**' button so the teacher knows their work is complete.

Over the course of the day, there will be learning content linked to our school work for your child to complete each day. Your child's teacher will use recorded videos to deliver new learning, and provide online activities for your child to complete. Feedback will be given to children through Google Classroom.

If you have any questions or experience any problems, please email:  
**[hillprimary@hillingdonprimaryschool.org.uk](mailto:hillprimary@hillingdonprimaryschool.org.uk)**

Kind regards,

**The Remote Learning Team**
