### PE kits - KS1 and KS2

Dear Parents and Carers,

Thank you for your ongoing support through the recent lockdown, we are happy to have all the children back in school. The specific guidance for PE curriculum still remains and we have worked through this in order to establish PE lessons in school, and days on which each class will be doing PE.

#### PE kits

- On days indicated on the tables below, students have a PE lesson and they should come to school dressed for PE and wearing trainers (no football or astro turf boots). In warm weather they can wear their t-shirt and shorts but in colder weather they should wear navy blue jogging bottoms which are also part of the school uniform. However, if students do not have navy blue jogging bottoms then suitable jogging bottoms of any colour can be worn. They do not need to bring their usual school uniform into school on their PE days.
- Students will also need to make sure they bring a coat or light waterproof coat to move between the school site and field, if needed. We have no intention of using the field in heavy rain but we may have to move between light rain showers. It is important that we maintain our students' level of fitness for their physical well being and give them an opportunity to be outside as much as possible, as this is a positive way of mitigating the virus. All students will need trainers (or another suitable change of footwear) as we plan to continue to use the school field as much as possible. Trainers should remain on the school site so they are available to use each day. Foot wear should be inexpensive as the field is likely to be muddy at times.
- Certain PE days have changed from the autumn term so if your child accidentally wears their PE kit on a day not assigned to their class, it is not a problem. Their class teacher will remind them of the days they need to come to school in their kit.

#### PE days

Please see the days your child has PE; your child's class teacher will explain the information in this letter to the class. They should come to school dressed in their PE kits on these days. All students have two hours of PE a week. **This PE timetable will be in place and will start from Wednesday 10th March.** PE will be taking place on the field and any timetable changes will be communicated with you in advance.
