

HILLINGDON PRIMARY SCHOOL Sport Premium Action Plan 2021-22

Context

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing, and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement. The government is committed to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day. It recommends 30 minutes of this is delivered during the school day.

The PE and sport premium was introduced to help primary schools achieve this commitment by providing dedicated government funding to make additional and sustainable improvements to the quality of the physical education (PE), physical activity and sport offered through their core budgets. Schools are required to report on their use of this funding and include details of their sports provision on their website, so that parents / carers and members of the community can see the sport provisions available within the school.

Our Vision Statement

Our vision is to ensure ALL pupils leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective

We will use the sport premium funding to achieve self-sustaining improvement in the quality of PE and sport against the following **5 key indicators**:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Total amount allocated for 2021/22	£21,380
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£26,710
Total amount of funding actually spent in 2021/22	£19,989
How much (if any) do you intend to carry over from this total fund into 2022/23?	£6,721

Swimming and Water Safety Data:

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022. Please see note above	58%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	50%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	50%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?
